REVIEW OF KOZIER AND ERB FUNDAMENTALS OF NURSING 9TH EDITION TEST BANK

- I was very satisfied with this copy of the novel. The lettering is very large and readable. Despite not being pocket size, this edition is very lightweight and feels good in your hand. I love it! It makes me want to pick up and keep reading the book, very preferable to just printing the downloadable version online.

- I just want to say that as my first experience in purchasing at amazon, it went great. I ordered the book and within a matter of days I had it at home. With enough time to read the first chapter for class. Tristan at Lagniappe Books was awesome. Even making sure I had indeed received it. When in need of books I will definitely look to Lagniappe Books.
