The one-of-a-kind storytelling design, relatable personalities, and plot twists make it a worthwhile enhancement to your bookshelf. So, if you're searching for a fascinating read, Advanced English Grammar Test With Answers Pdf is certainly worth thinking about.

REVIEW OF ADVANCED ENGLISH GRAMMAR TEST WITH ANSWERS PDF

- I am a published author and professional reviewer, and have had respected fantasy authors praise my work. Perhaps these facts will lend my opinions some weight. Many reviews focus on Eragon's derivative qualities. I will not. Derivations in themselves are no barriers to quality; Tolkien himself derived many of his ideas directly or indirectly from Norse mythology. Shakespeare derived many of his plot devices and dramatical elements from earlier dramas or histories. I will focus on the prose itself. It smacks of immaturity. Adverbial qualifiers abound, particularly for the dialogue. Such adverbial excesses the vast majority of professional writers consider leprous: each additional affliction mars the text further. Many of Paolini's similes seem perfunctory; many are unnecessary. The vocabulary is uneven (witness the clumsiness of Eragon's speech). The pacing is overly rushed towards the end. Saphira is too much a wise mentor, devoid of flaws. The novel itself is rife with scenes that force an adult perspective--piles of corpses being only one, and therefore make targeting it towards youth a mistaken exercise.(...)

- Hmm... This book is listed as JUVENILE FICTION for YOUNG READERS, yet all these reviews seem to be from over-analytical adults! This book was written by a young person, for young people, so no wonder it doesn't appeal to you serious intellectuals (*cough*). For the author's age and considering the audience it is intended for, I think it's a decent enough book. Does it borrow inspiration from other works? Of course. In fact, name one author or work of art that HASN'T been inspired by something else - the trick is taking that inspiration and making it your own, which I think the author did well enough considering his age. At the very least, its getting kids away from the TV and into books, which is hardly a bad thing. I'm not a kid, but I've seen lots of kids reading this book lately which even inspired me to pick it up. So take it for what it is, a solid work of JUVENILE FICTION and stop trying to compare it on the levels of Tolstoy, Hemmingway, or even "Bored of the Rings." At least Christopher Paolini is writing something worthwhile instead of being a bitter Amazon reviewer and writing spiteful reviews.
