## **REVIEW OF GLOBAL BUSINESS TODAY 7TH EDITION TEST BANK FREE**

- I have yet to read the book but i am planning on it very soon. I am 39 and i not only lived in detroit during that time, but i was indirectly associated with several members of the group. I am proud and glad to see butch turn things around and tell this

story. I am hoping that so called "tough guys " read this book and learn from it, learn ! I am in a carrer where i try to help young people overcome mental health issues and problems in the streets and in the homes. Because of my past it;s easier to connect with these children. This book is another step in continuing to open the eyes of our kids. Thanks.

- I was surprised to find out this was

Conrad's first book. I expected an awkwardness of a writer refining his skill, but what I found was a captivating, accessible and satisfying story. It has suspense and romance as well as the tragedy that Conrad is known for. I think the young characters and themes make this book far more accessible to a young person than the standard required Conrad novel--Heart of Darkness. Almayer's Folly is an excellent introduction to Conrad's work.
