## **REVIEW OF THE WIN WIN APPROACH CONFLICT RESOLUTION NETWORK**

- the book is very good has a lot of information if you are into the Pagan religion well written .
- The ESV Deluxe in hardback and genuine leather is the best edition of the ESV in print. I have both the hardback and genuine leather editions. The hardback is very good and put

together quite well. The leather comes only in black and looks and feels very nice. Crossway has done a better job with this edition of the ESV, but I would love to see Cambridge publish the ESV! The translation itself is excellent for study, preaching, teaching, and devotional reading. It is "literal", but not so much so that there is no literary style. The literary style is very much in the Tyndale/KJV

tradition. This is due to the fact that the ESV is a slight revision (6% improvement) of the RSV. The RSV still remains one of the best translations available, but needed some updating. I recommend the ESV Deluxe Reference Edition without reservation. Again, it is the best edition of the ESV in print and the ESV is a good translation for study of the Holy Scriptures.
