## REVIEW OF NONDESTRUCTIVE TESTING HANDBOOK THIRD EDITION VOLUME 6 ACOUSTIC EMISSION

- Love That Dog Love that dog is a book all about poems. Well, to be honest this book wasn't that a great book. Every poem doesn't go together like a regular chapter/story book. If it was a poem or a rhyming book that would go together like a storybook, then I'd read it, other ways I would never read a poem book again. If your wanting a story about dogs this is definitely not the book for you.

- If you want a spectacular book this isn't quit for you. I didnt love this book because it is written in poetry and most of the parts are dull and boring. But it can Also be sad at times. When You think of Love That Dog would you think that it would be mostly about a dog but only half of the book talks about a dog and the other half talks about poems. So I guess this book is half and half but if you like battles and things like, once again this book isn't for you.
