REVIEW OF MICROBIOLOGY CHAPTER 9 QUIZ

- Frank Capra's superb autobiography provides loads of fascinating information about the film industry during a thriving period, when he was one of filmdom's most popular and successful figures, as well as about the mindset of this intriguing man of accomplishment. What is refreshing, along with his basic candor, is that despite his enormous success he retains a humble and highly humane touch. Some of the most humorous anecdotes of "Name Above the Title" involve madcap, always colorful Columbia boss Harry Cohn, who took his Gower Street studio from the ranks of "Poverty Row" to the that of a giant. Capra helped significantly with box office smashes such as "It Happened One Night", "Mr. Smith Goes to Washington", "Lost Horizon" and "Meet John Doe." It took awhile, but the Capra film which has soared to top spot in the hearts and minds of the public was the 1946 release starring Jimmy Stewart, "It's a Wonderful Life." The star was so enthused about the story that he pitched it personally to Capra after driving over to his house. Capra relates the time that he begged Cohn not to drop a struggling young cartoonist from the Columbia payroll, predicting that he would be sorry. Capra was right as the cartoonist was a young, meek Iowa farm boy named Walt Disney. One of Capra's great contributions was directing and producing the excellent World War Two documentary series "Why We Fight." He tells about being called into the office of Army Chief of Staff, General George C. Marshall, who asked him to undertake the project. "But I've never done a documentary!" a surprised Capra replied. Marshall pointed out that he had never run an army before either, and that the

American way during the critical war period was for citizens to learn jobs with which they were previously unfamiliar. Capra saw Marshall's logic and the rest is history. This autobiography is fascinating enough for the interesting information about Capra's life. What makes it even better is that you are reading the revelations of a good man who did his best to instill positive

values into his films, and to help in his distinctive way to make America a better country.

- Sometimes you get the feeling that the two people in this tape are irritated with each other. Sometimes you get the feeling that they are drinking buddies. Its strange and funny. Good for learning Spanish too.
