REVIEW OF CIVIC EDUCATION TEXTBOOK FOR SENIOR SECONDARY SCHOOL

- I have always been interested in weird things and this fills my need
- Gail Howard's books have been credited with helping dozens of people become millionaires- verified real people with real stories. No other lottery books I have seen have verified winners. Proof of

Jackpot Winners can be seen at her website-numerous articles with testimonials and PHOTOS-important for me. I have learned to always go to the author's websites. That was enough for me plus I saw a real winner's testimony above. I ordered three of Howard's books, read practically round the clock after reading many other books on the same subject. She is clear on her systems, I get them even though math was not my greatest subject. A friend who just won something tipped me to Gail's books and it took me several weeks to decide-so glad I did.
