REVIEW OF IB ECONOMICS PAPER 3 NUMERICAL QUESTIONS HIGHER LEVEL PRACTICE QUESTIONS WITH ANSWERS

- It was informative and gave background information on tattooing, body piercing and branding. It included individual stories and experiences. It is written to a young, uninformed audience. Good to become get to know the basics but it goes no further. It includes the history of piercing, why people do it, healthrisks and importance of going to a sterile and professional piercer. The author constantly goes on about the importance of decision making and the responsibility put upon you once you have the piercing. Didn't find it too helpful.

- I have always loved Supergirl's story. The book is in excellent conditions and now I can read it and enjoy it everyday.
