REVIEW OF MIJN REIS NAAR THE SYNAGOGUE CHURCH OF ALL NATIONS IN

- I really enjoyed reading this book, even if at times the author did seem a bit lofty. It was funny and gave a nice peek into some of the mannerisms in Japan. Though there were a few slow areas of the book, for the most part, it flowed nicely!

- Many of the previous reviews have pointed out Mr Feller's haughty condescension but what really makes his book a drag is how breathtakingly boring it is. Naked with other men in a hot spring bath? Good gracious me! As another reviewer pointed out, anybody who comes to Japan will experience virtually everything in this book in the first week; what that other reviewer failed to mention is that nobody else will decide to write a tedious book about it all. Filled with shallow 'insights' and yawn-

inducing 'adventures', Feller's book is a soporific account of a dull year as lived by a dull individual who managed, somehow, to con a publisher into releasing this dull book. The fact that it's still in print boggles the mind. If you're interested in a good read on Japan look for either of Alan Booth's books (Looking For The Lost & The Roads To Sata), John Morley's Pictures From The Water Trade, Will Ferguson's Hokkaido Highway Blues, or anything by Lafcadio Hearn. All of those authors deliver. Mr Feller's book might be useful for chronic insomniacs but everybody else should steer well clear.
