Thank you for picking our system for your PDF downloads. We anticipate supplying you with excellent solution and diverse alternatives for years to come.

## REVIEW OF CONCEPTUAL FOUNDATIONS OF TEACHING READING

- The Count of Monte Cristo has to have been one of the memorable books I have ever encountered. It is one of those great stories capable of pulling the reader in, overcoming the barriers of time, language and culture. I would highly recommend it for anyone looking to spend a lot of time with a truly enjoyable novel.
- Hello again, friends, Having just completed reading "War & Peace" (translated by R. Pevear and L. Volonkhonsky )and "The Count of Monte Cristo", ( The Penguin Classic edition) in less than 2 1/2 months. I have to say that these two novels are the greatest ever written. The 2,400 pages, combined, were read so swiftly, ( for me !) I scarcely had time for anything else. I am going to read "The Three Musketeers" ( Modern Library), next. I bought this edition before I knew about the recently published, Penguin Classic Deluxe Edition. I dont know, but I think the Modern Library edition is an abridgement. Let me know if I am wrong. The character Edmond Dantes is one of the greatest ever penned. He rises off the pages and dwells in your mind and you become "one" with him as he leads us on the journey from star-crossed young sailor in love with Mercedes to the fabulously wealthy title character. Most of the people you meet along the way are so well conceived and drawn you'd think you know them. As others have written, I wish this book didn't end. Amazon shows a sequel to this book published in 1849, but it is currently unavailable. Maybe someday it will be re-published. Robin Buss did an excellant job translating this huge book. JUst buy it. You will never finish it in the time allotted by a library. Cest Magnifique!!!
