### REVIEW OF CHEMISTRY PERIODIC TABLE PUZZLES ANSWERS

- BIRDS OF PREY is no doubt the very best novel Wilbur Smith has ever written. Although it is a bit too long, you must read it; it has all of the right ingredience a novel needs - it sure is a flawless masterpiece. I have read ALL of Wilbur Smith's books, and this one is his greatest. Want more? Read the sequel: MONSOON. Read BIRDS OF PREY & MONSOON now and see for yourself what I mean. I hope BIRDS OF PREY eventually gets made into a major movie. It's good and powerful, believe me. I can't wait for Smith's next book! Other books by Wilbur Smith I highly recommend are EAGLE IN THE SKY, ELEPHANT SONG, RIVER GOD, and THE SEVENTH SCROLL. Smith is the most talented author in the world - he meticulously researches many things and never rushes his job. His books are therefor almost perfect. Buy BIRDS OF PREY, be patient with it, and you'll see what I mean.
