REVIEW OF FINANCIAL ACCOUNTING SOLUTION MANUAL CRAH

- Single women should read this book. It was very easy to read and hard to put down. I felt like at times it was my life being told in this novel. Very funny at times.
- There are many "get rich with realestate" books on the market. Most are a waste of money. This is a realistic approach to realestate investing for the investor with a little bit of money, credit, and time to do the leg work. In life there is no free ride, and this author had a no nosense approach. He disabuses the "Rags to Riches" reader, One quote, "if you have no money, or credit, you are unlikely to be able to buy realestate". I would rate this book as one of the most informitive I have read on the subject.
