REVIEW OF CHAPTER 12 SECTION 4 MUTATIONS ANSWER KEY

- Anybody can read this book and love it. It's just a story about Bilbo Baggins-the hobbit with no adventure in his life who one day gets into an adventure with Gandalf the wizard and 12 dwarves or is it 13 dwarves. Anyway, it's an awesome book you should read.
- In my opinion the author really messed up when he started dragging out sentences... For instance, in the first chapter when Bilbo had his visitors and it

was time to wash the dishes instead of saying the dishes the author chose to name every single solitary dish(the plates,pots, pans, glasses, cups,etc.) I feel that he lost a lot of interest like that.

In short this book could have been a very interesting 100 to 200 page book instead of a long drawn out 300 plus book (paperback).
