REVIEW OF

STRATEGIC MARKET MANAGEMENT DAVID A AAKER

- It was a very descriptive book, the costumes, the characters, the scenery, all came to life. A true romance, and not excessive love-making on every page. Rhett and Scarlett were truly meant for each other, but she didn't know it. It's so true.

- My mother requested this book for Christmas. We had gone together to see the movie years ago and it is one of her favorite stories. I purchased the book for a Christmas gift for her and she loved it!
