## **REVIEW OF BUSINESS GOVERNMENT AND SOCIETY A MANAGERIAL PERSPECTIVE**

- Great Price! Book was in great shape! Fast Shipping! Would order from again! There's not much more to tell... A+++

- I love the film Miss Pettigrew Lives for a Day, starring Frances McDormand and Amy Adams and was curious about the late 1930's book it was based on. There are a number of differences between the two that can easily be accounted for by the differences between writing a book and making a movie. However, although this entertaining tale of a 40 plus wallflower who by accident conquers fashionable London society is way ahead of its time in its ideas about gender, it contains a few pretty nasty bigotry and ethnic slurs against Jews and Italians, which, of course, were completely dropped by the movie makers.
