Tales for Hard Times HarperCollins

in short, the period was so far like the present period, that some of its noisiest authorities insisted on its being received, for good or for evil, in the superlative degree of comparison only. There were a king with a large jaw and a queen with a plain face, on the throne of England; there were a king with a large jaw and a queen with a fair face, on the throne of France. In both countries it was clearer than crystal to the lords of the State preserves of loaves and fishes, that things in general were settled for ever. It was the year of Our Lord one thousand seven hundred and seventy-five. Spiritual revelations were conceded to England at that favoured period, as at this. Mrs. Southcott had recently attained her five-and-twentieth blessed birthday, of whom a prophetic private in the Life

Guards had heralded the sublime appearance by announcing that arrangements were made for the swallowing up of London and Westminster. Even the Cock-lane ghost had been laid only a round dozen of years, after rapping out its messages, as the spirits of this very year last past (supernaturally deficient in originality) rapped out theirs. Mere messages in the earthly order of events had lately come to the English Crown and People, from a congress of British subjects in America: which, strange to relate, have proved more important to the human race than any communications yet received through any of the chickens of the Cock-lane brood. France, less favoured on the whole as to matters spiritual than her sister of the shield and trident, rolled with exceeding smoothness down hill, making paper money and spending it. Under the guidance of her Christian pastors, she entertained herself, besides, with such humane achievements as sentencing a youth to have his hands cut off, his tongue torn out with pincers, and his body burned alive, because he had not kneeled down in the rain to do honour to a dirty procession of monks which passed within his view, at a distance of some fifty or sixty yards. It is likely enough that, rooted in the woods of France and Norway, there were growing trees, when that sufferer was put to death, already marked by the Woodman, Fate, to come down and be sawn into boards, to make a certain movable framework with a sack and a knife in it, terrible in history. It is likely enough that in the rough outhouses of some tillers of the heavy lands adjacent to Paris, there were sheltered from the weather that very day, rude carts, bespattered with rustic mire, snuffed about by pigs, and roosted in by poultry, which the Farmer, Death, had already set apart to be his tumbrils of the Revolution. But that Woodman and that Farmer, though they work unceasingly, work silently, and no one heard them as they went about with muffled tread: the rather, forasmuch as to entertain any suspicion that they were awake, was to be atheistical and traitorous.

[A Boy Called Dickens](#) Cornell University Press

For years Dickens kept the story of his own childhood a secret. Yet it is a story worth telling. For it helps us remember how much we all might lose when a child's dreams don't come true . . . As a child, Dickens was forced to live on his own and work long hours in a rat-infested blacking factory. Readers will be drawn into the winding streets of London, where they will learn how Dickens got the inspiration for many of his characters. The 200th anniversary of Dickens's birth was February 7, 2012, and this tale of his little-known boyhood is the perfect way to introduce kids to the great author. This Booklist Best Children's Book of the Year is historical fiction at its ingenious best.

Unabridged (100% Original content) Font adjustments & biography included Illustrated About A Tale Of Two Cities by Charles Dickens A Tale of Two Cities (1859) is a novel by Charles Dickens, set in London and Paris before and during the French Revolution. The novel depicts the plight of the French peasantry demoralized by the French aristocracy in the years leading up to the revolution, the corresponding brutality demonstrated by the revolutionaries toward the former aristocrats in the early years of the revolution, and many unflattering social parallels with life in London during the same period. It follows the lives of several characters through these events. A Tale of Two Cities was published in weekly installments from April 1859 to November 1859 in Dickens's new literary periodical titled All the Year Round. All but three of Dickens's previous novels had appeared only as monthly installments. With sales of about 200 million copies, A Tale of Two Cities is the biggest selling novel in history.

A Biography Anchor

This provocative biography tells the story of how an ambitious young Londoner became England's greatest novelist. Focused on the 1830s, it portrays a restless, uncertain Dickens who could not decide on a career path. Through twists and turns, the author traces a double transformation: in reinventing himself Dickens reinvented the form of the novel.

[A Tale of Two Cities](#) Strelbytskyy Multimedia Publishing

As a small boy, Charles Dickens worked in a dark, musty London warehouse, pasting labels onto pots of boot polish. He tried not to listen to his grumbling stomach or the rats squeaking on the stairs. His dream was to escape that misery one day and become a fine, educated gentleman. Through his gift for writing, that day did come for Dickens. But he never forgot what it was like to be poor. He wrote stories about London's lower classes-- tales that made people laugh, cry, and work to improve social conditions.

THE POWER OF STORYTELLING

By following these pointers, you'll be well on your way to creating efficient Biography Charles Dickens A Tale Of Ambition And Genius publication examines that will inform and engage your target market.

By Charles Dickens - Illustrated Penguin UK

Winner of the Plutarch Award for Best Biography A lively and insightful biographical celebration of the imaginative genius of Charles Dickens, published in commemoration of the 150th anniversary of his death. Charles Dickens was a superb public performer, a great orator and one of the most famous of the Eminent Victorians. Slight of build, with a frenzied, hyper-energetic personality,

Dickens looked much older than his fifty-eight years when he died—an occasion marked by a crowded funeral at Westminster Abbey, despite his waning wishes for a small affair. Experiencing the worst and best of life during the Victorian Age, Dickens was not merely the conduit through whom some of the most beloved characters in literature came into the world. He was one of them. Filled with the twists, pathos, and unusual characters that sprang from this novelist's extraordinary imagination, *The Mystery of Charles Dickens* looks back from the legendary writer's death to recall the key events in his life. In doing so, he seeks to understand Dickens' creative genius and enduring popularity. Following his life from cradle to grave, it becomes clear that Dickens's fiction drew from his life—a fact he acknowledged. Like *Oliver Twist*, Dickens suffered a wretched childhood, then grew up to become not only a respectable gentleman but an artist of prodigious popularity. Dickens knew firsthand the poverty and pain his characters endured, including the scandal of a failed marriage. Going beyond standard narrative biography, A. N. Wilson brilliantly revisits the wellspring of Dickens's vast and wild imagination, to reveal at long last why his novels captured the hearts of nineteenth century readers—and why they continue to resonate today. *The Mystery of Charles Dickens* is illustrated with 30 black-and-white images.

The Other Dickens Grand Central Publishing

1887. A biography of Dickens, who many consider the greatest English writer of all time. Partial Contents: The lottery of education; Dickens becomes a solicitor's clerk in 1827; Origin of *Pickwick*; Dickens works double tides from 1836 to 1839; *Oliver Twist*; Dickens starts for United States in January, 1842; Dickens again at work and play; Journey through France; Dickens as an amateur actor and stage-manager; Dickens gives his first public (not paid) readings in December, 1853; *Hard Times* commenced in *Household Words* for April 1, 1854; *The Tale of Two Cities*, a story of the great French Revolution; and Dickens' health begins to fail.

A Life Open Road Media

Catherine Hogarth, who came from a cultured Scots family, married Charles Dickens in 1836, the same year he began serializing his first novel. Together they traveled widely, entertained frequently, and raised ten children. In 1858, the celebrated writer pressured Catherine to leave their home, unjustly alleging that she was mentally disordered—unfit and unloved as wife and mother. Constructing a plotline nearly as powerful as his stories of Scrooge and Little Nell, Dickens created the image of his wife as a depressed and uninteresting figure, using two of her three sisters against her, by measuring her presumed weaknesses against their strengths. This self-serving fiction is still widely accepted. In the first comprehensive biography of Catherine Dickens, Lillian Nayder debunks this tale in retelling it, wresting away from the famous novelist the power to shape his wife's story. Nayder demonstrates that the Dickenses' marriage was long a happy one; more important, she shows that the figure we know only as "Mrs. Charles Dickens" was also a daughter, sister, and friend, a loving mother and grandmother, a capable household manager, and an intelligent person whose company was valued and sought by a wide circle of women and men. Making use of the Dickenses' banking records and legal papers as well as their correspondence with friends and family members, Nayder challenges the long-standing view of Catherine Dickens and offers unparalleled insights into the relations among the four Hogarth sisters, reclaiming those cherished by the famous novelist as

Catherine's own and illuminating her special bond with her youngest sister, Helen, her staunchest ally during the marital breakdown. Drawing on little-known, unpublished material and forcing Catherine's husband from center stage, *The Other Dickens* revolutionizes our perception of the Dickens family dynamic, illuminates the legal and emotional ambiguities of Catherine's position as a "single" wife, and deepens our understanding of what it meant to be a woman in the Victorian age.

A brilliantly insightful biography from Pulitzer Prize-winning author Jane Smiley With delectable wit and characteristic sensitivity, Jane Smiley presents a fresh, illuminating take on the life of Charles Dickens. Smiley finds a kindred spirit in the author of such classics as *Great Expectations* and *A Christmas Carol*, who was not only a prolific writer but also one of the first modern "celebrities." She offers interpretations of many of Dickens's major works, exploring his narrative techniques and his innovative voice and themes. Smiley's biograph is a perceptive profile of the great master and a fascinating meditation on the writing life.

The Story of the Traveling Salesman BookCaps Study Guides

-Charles Dickens Biography-A Tale of Two Cities Character List-Themes of the Novel.-A Tale of Two Cities- A Historical fiction -Historical scenes in A TALE OF TWO CITIESIt is 1775, and Mr. Jarvis Lorry is traveling to Dover to meet Lucie Manette. He tells her that she is not an orphan as she had been told from a young age. He now says that he will travel with her to Paris to meet her father, who has recently been released from the Bastille. Doctor Manette is housed in the Defarges' wine-shop and

has lost his reason, but he starts to regain it when he meets his daughter and is transported back to London. Five years later, Charles Darnay is tried in London on a charge of treason for providing English secrets to the French and Americans during the outbreak of the American Revolution. The dramatic appearance of Mr. Sydney Carton, who looks remarkably like him, precludes any positive identification and allows Darnay's acquittal. Darnay, Mr. Carton, and Mr. Stryver all fall in love with Lucie Manette, who was a tearful, unwilling witness for the prosecution. Although they all make an attempt to woo her, she favors Charles Darnay and marries him. Carton comes to her house alone and declares that while he expects no return of his love, he would do anything for her or for anyone whom she loves. Darnay has ominously hinted to Doctor Manette of his concealed identity, and he reveals to his father-in-law on the morning of his wedding that he is a French nobleman who has renounced his title. In France, Darnay's uncle, Monseigneur, has been murdered in his bed for crimes against the French people. This means that Darnay is next in line to inherit the aristocratic title, but he tells no one but Doctor Manette. At the urgent request of Monsieur Gabelle, who has been arbitrarily imprisoned, Darnay returns to Paris. He is arrested as a nobleman and an emigrant and thrown into jail. A spy named John Barsad drops into the Defarges' wine-shop to gather evidence regarding whether they are revolutionaries. They reveal practically nothing, although Madame Defarge is knitting a list of those whom she and the other revolutionaries intend to kill. Doctor Manette, Miss Pross, Lucie, and her small child follow Darnay to Paris, where the Doctor is almost successful in using his power among the revolutionaries as a former Bastille prisoner--like the people, he was oppressed by the ruling regime--to secure Darnay's release. But Darnay is once again denounced by the Defarges, a charge which is made even stronger by Monsieur Defarge's revelation of a paper document that he found in Doctor Manette's former cell in the Bastille. The document recounts that Manette was arbitrarily imprisoned by the Evrémondes for having witnessed their rape of a peasant girl and the murder of her brother. Darnay is brought back to prison and sentenced to death. Sydney Carton also has traveled to Paris because of the selfless love that Lucie Manette has inspired in him. He resolves to sacrifice himself to save her husband's life. He forces the help of John Barsad, having recognized him as Solomon Pross, the dissolute brother of Miss Pross. Carton overhears the Defarges discussing a plan to kill Lucie and her child, and he figures out that Madame Defarge is the surviving sister of the peasant girl who was raped and of the boy who was stabbed by the Evrémone family. Carton arranges for the Manettes to leave immediately. He uses

his influence with Barsad (Pross), who also works as a turnkey, to get into Darnay's cell. He drugs Darnay and exchanges places with him, having Barsad carry Darnay out of the prison to safety. Madame Defarge knocks on Lucie's door to arrest her, but the Manettes have already fled to safety. She is instead confronted with the extremely protective Miss Pross, who comes to blows with her and accidentally shoots her dead with her own gun. Darnay returns with the Manettes to London in safety. Carton dies at the guillotine.

Dickens Independently Published

The engaging biography of one of the most celebrated and enduring authors of Western literature Charles Dickens grew up in harsh poverty and became one of the world's most beloved authors. Biographer Fred Kaplan takes a brilliant, multifaceted approach in his examination of Dickens's life: his fraught marriage and relationships; the ever-present effects of his humble beginnings; his extensive, but carefully managed, public life; and his friendships with famous writers. Dickens unearths the complex passions that drove both the man and his work, illuminating why the legendary author—just like the characters in his fiction—has remained a mammoth figure in Western literature.

REVIEW OF BIOGRAPHY CHARLES DICKENS A TALE OF AMBITION AND GENIUS

- Mr Johnstone seems to stay with the same old script. Bad guys that turn good and good guys that are not really good after all.
- I have always been an avid reader since I was in elementary school. I read this book sometime between my eighth and tenth grade the summer before school started back up again. I walked past this book, read the cover slip, put it back, but one day, I brought it home from the library and loved it! I'd given up on modern Black authors at such a young age. The material at the local library and at school were horrible, and material from Black authors was scarce and sub par (save for the 'classics'). This book was so right on time for me. It was a love story, a work based on historical action and events, and the book showed that black women were more complex, capable of being love, and loving. I didn't grasp fully what this book (and most things about life) were at the time, but this book is timeless. I absolutely loved this book.
