

VILLAIN

- The antagonist of The Tenants Downstairs is equally compelling, with their very own inspirations and backstory that drive their actions.
- While their actions might be doubtful, the antagonist is not a one-dimensional villain and has their own battles they are taking care of.

REVIEW OF THE TENANTS DOWNSTAIRS

- I found this book to be very dry and boring. I tried to compare this to The Giver, and I just couldn't. I know that there are some good points to it, but not enough to sit and read it over and over again. PS-If you don't agree with me, please don't click the "No" button below.
- Is the book outdated? Have people finally learned that they are closing their minds? Unfortunately people still need the message of Fahrenheit 451. Most people are still convinced that God becomes angry and, what is worse, far worse, they are still burning books today when they ignore new ideas.
