Believe it or not, the Dow Theory is alive and well in the 21st Century and this book will help you understand why. Jack Schannep
- Thank you, Kathe, for openly sharing your journey through the grief. This spiritual publication has opened up so many different emotions for me, so many unexpected feelings of loss, guilt, anger... After taking the journey myself, I have begun to walk again -- with others -- through their grief and pain. Thank you for providing the structure and 'path' which opens up the possibility for healing. Wonderful work, guided by God...
