## **REVIEW OF AIR UNIVERSITY**

## **ENTRY TEST SAMPLE PAPER**

- After reading this book, I think William Golding is a sick, sick man. The book portrays small boys as savages trying to kill each other. Some might find it entertaining, but I find it downright disturbing. I only read it because it was required for school, but I wish I'd burned it instead.
- William Golding's "Lord of the Flies" is undoubtedly one of the greatest books ever written. The slow process from civilization to savagery is perfectly structured. The tale of 30-or-so boys on an island, struggling to survive, is a comparison to modern society, some wishing to find food and fight, others wanting to take things one step at a time. This novel is dark, horrific, and

ingenious.
