REVIEW OF ALGEBRA 2 CUMULATIVE TEST CHAPTERS 1 6

- The sections on toddler boys were good, but it deteriorated from there into Biddulph suggesting that parents shop for "good" porn for their 14 year old boys! Thanks, Steve! Good advice. I guess you never heard how Prince's (the artist formerly known as Prince) mother did that. Look how good he turned out, right?

- In the year 2000, this book was my first acquaintance with the solution focused approach to helping people. I had heard from a colleague (who is also a management coach) about solution focused working and, although I thought it sounded promising, I remained a bit skeptical. However, from the very moment I started reading 'Interviewing for solutions' my attention was firmly captured. Two chapters later I was practically sold. The approach is very clearly explained and the many dialogues in the book are really excellent (especially those by Insoo Kim Berg). After reading this book I started reading and learning more and I began using solution focused working in my practise as a coach and consultant. With peasure and success.
