REVIEW OF SCOTT MEYERS EFFECTIVE MODERN C EPUB

- Have you felt alone or bewildered by the messages that society sends you. Bill Perkins' book, "Six Battles Every Man Must Win," puts your role in society and, in your home, back into

perspective. This is a MUST READ for every man who really wants to understand his role in his home and in the work place. This small book is packed with tons of thought provoking advice and instruction on how to become a man of integrity, and response to those most dear to us. It will guide you in your everyday living. By-The-Way...this is a great book for your wife to read as well.

- Cat Among the Pigeons is really a delightful book. The ending is really a turn around, and you'll never guess the solution ahead of time. Plus, this book was extra good for me because I didn't think Poirot was in it but he was! It was a good surprise.
