## REVIEW OF RANGE ROVER SPORT TDV8 2007 2009 AND TDV6 2005 2009

- I finished THE BIG SLEEP in a few days and was so impressed by the book, I immediately bought FAREWELL, MY LOVELY. Another great novel by Chandler. The book begins with Marlowe being pulled into a barroom mishap when an ex-con is looking for his girl. Once Marlowe finishes with the police reports, he thinks his day is over. At the office he receives a phone call from a man who needs his help. The man asks Marlowe to accompany him to a 'business' meeting. This is only the beginning of a twisted mystery which Marlowe is faced with solving. Once again Chandler does a great job of weaving various stories and characters in an effortless manner which takes the reader easily through the mystery. I look forward to reading another Marlowe mystery...they are pure joy!

- Of 15000 writings identified as the founding documents for America there are 3154 direct quotes (See book "The Origins of American Constitutionalism"). 34% of America's original source material was from the Bible, the single most cited source. The second most cited source, with 8.3% of quotes, are from Charles Montesquieu. Why are the greatest works ever written not studied

in public schools? The Spirit of the Laws should be required reading. The Spirit of the Laws exercises the mind instead of entertains the mind which is what true education is all about. Our Founding Fathers felt the Bible was a book worth more than all other books ever printed. Since we have thrown out the greatest

book, a book that founded America's public schools, it is no surprise Montesquieu is also lost. It is time our public schools educate students in the most important books that founded America.
