REVIEW OF SUPPLY CHAIN MANAGEMENT CHOPRA SOLUTION MANUAL 5TH

- This was my first time around with "Treasure Island" and I must say it was a well written novel with plenty of action, plot, suspense, and thrill! Long John Silver was a well developed character and really defines the moral struggles of mankind. The outright greed at first and then the ultimate fate he was to endure at the end of the story (no spoilers) was written in a way that I could identify with. Jim was such a strong and courageous character that doesn't seem to avoid confrontation that he keeps you on the edge of your seat throughout the entire book. A few times during the thick of the plot, I actually gasped aloud thinking it may be the end! Altogether, this was a very good and easy

read. I would recommend it to anyone looking for a classic sea/pirate/adventure novel and with the lack of foul language it is deemed appropriate for all ages.

- Changed the way English speakers think of pirates even to this day. And despite being a "classic", it's wonderfully readable.
