Emmett's lyrics as they were originally intended reflect the mood of the United States in the late 1850s toward growing abolitionist sentiment. The song presented the point of view, common to minstrelsy at the time, that slavery was overall a positive institution.Dixie (song) - WikipediaThis condensation of AMERICAN POPULAR MUSIC: FROM MINSTRELSY TO MP3 is a condensation of the book originally

published in English in 2006 and is offered in this condensation by arrangement with Oxford University Press, Inc. Larry Starr is Professor of Music at the University of Washington. His previous publications include American Popular Music - USEmbassy.gov The larger Black minstrel shows included bands of multitalented instrumentalists to play marches for the troupe's parades in the daytime and perform string accompaniments for the evening shows. In addition to some music by Stephen Foster, their repertoire featured music by Black composers such as James Bland, a popular singer-banjoist who wrote some 700 songs, including "Carry Me Back to Old Virginny." minstrel show | Description, History, & Facts | Britannica The minstrel show, or minstrelsy, was an American form of entertainment developed in the early 19th century. Each show consisted of comic skits, variety acts, dancing, and music performances that depicted people specifically of African descent. The shows were performed by mostly white people in make-up or blackface for the purpose of playing the role of black people. REVIEW OF AMERICAN POPULAR MUSIC FROM MINSTRELSY TO MP3 PDF

• Just a note to say my smart, high honor roll children hated this book. It was a 5th grade assignment. They thought it was not believable and just played a little game of which would be the lesser evil, reading this book 15 times or "The Lovely Bones." I haven't read it, just reporting their sub-optimal reactions. Considering I would like my children to develop a love of reading, this book doesn't seem to fit the bill, though they did say it was thankfully quite short.

• The book overall was great. The Giver talks about a utopian society that aims for sameness. The receiver escapes and causes the memories he has received go back to the people. It is all good except that in the last chapter it is a terrible ending. The receiver is ending his journey and yet the author cuts it off with that he saw lights and remembered love. Then it all ends. No mention of how it was like to get to the houses or anything. Completely terrible ending. And the trilogy as described in wikipedia is loosely connected. In fact, not even the same main character is used in the next book, gathering blue.
