So what are you waiting on? Beginning your Strategize Product Strategy And Product Roadmap Practices For The Digital Age downloading journey today and experience all the advantages and comfort that the electronic globe of publications needs to provide!

REVIEW OF STRATEGIZE PRODUCT STRATEGY AND PRODUCT ROADMAP PRACTICES FOR THE DIGITAL AGE

- All the King's Men is a beautifully written book which gives us a fascinating look at the interior workings of one man's political dreams, and how he tries to accomplish them. The novel gives us a glimpse into the underhanded, controlling, backstab-your-own-kin tactics of politicians and their cronies, and that is always enjoyable. Sometimes the book becomes a bit long and plodding, but other times it is a pageturner. And, as I said before, Warren writes with a beautiful turn of phrase.

- "The Rise of Silas Lapham" by William Dean Howells, is definitely misnamed, since at the start of the novel, the main character has already risen in terms of money and prominence, two things he is at risk of losing over the course of the novel. Howells' work is credited with

being the first important novel that truly focused on an American businessman, a man who came from nothing to become someone to contend with, but a man who still couldn't fit into the genteel Boston society because he was nouveau riche and not from old money. There are some interesting things about the plotline of this novel and even some humorous moments, but "The Rise of Silas Lapham" is ploddingly told and seems dated in comparison with contemporary novels of its time. "The Rise of Silas Lapham" begins with a newspaper interview in which the reader automatically learns Silas's hard luck background and his success in the paint business, success that has allowed him to build a mansion in the Back Bay area of Boston among the most elite townspeople. His wife and two daughters, Penelope and Irene, want for nothing, but unknowingly remain outcasts in the society. When a young man named Tom Corey (from old money) takes an interest in Lapham's business as well as in one of his daughters, Lapham sees it as a way to truly take his place among the society he so desperately wants to impress and be accepted by. However, incidents and mistakes from Lapham's past show up just as his star is on its meteoric rise, forcing him to change his ways, for better or for worse. Some of the standout elements of "The Rise of Silas Lapham" is the love triangle between the Lapham daughters and Tom Corey, as well as the Corey family's reaction to Tom's interest in one of the girls. Penelope Lapham is a clever and comic likable character, and there are moments when even Silas and his wife Persis are easy to identify with. However, Howells spent too much time telling the story and did not allow his characters room to breathe and exist by

themselves in the minds of the readers. While not an overly long novel, I found it a difficult read because much of the story is either boring or told in a boring manner. I wish Howells had dedicated more time to the intriguing aspects of his character's life instead of on the mundane and annoying.
