REVIEW OF IGCSE ENGLISH LANGUAGE REVISION GUIDE PAPER 2

- Let me start by saying this book is excellent. It covers many of the fallacies

that plague our current government and society. My kids, who are too young now to read and understand, will be required to read this before they leave home. Check out mises.org for audio lectures covering most of these topics. Austrian economics a.k.a. free-market economics is easy to understand if you take the time to educate

yourself. This was my first economics book and won't be my last!

- If you haven't read this masterpiece, do so immediately. I wish I could hand out copies in every mailbox and to every person I passed on the street. Sound economic principles in an easy to digest and understand package, what more can you ask for?
