REVIEW OF OXFORD ENGLISH DICTIONARY SPEAK V

- As much as I like to read, I always sell myself short on reading "true literature" . . . especially books that were written pre-20th century. Listening to the audio version was a wonderful re-introduction to Dickens! It was incredibly easy to follow along, and the story came alive. It was magical. The narrator impressed me with all of the voices that he did. In scenes when multiple characters were conversing, it was easy to follow along due to the unique voices that he gave each character. His British accent made me feel as though Dickens himself could be narrating the story. Listening to this book together would be a wonderful family tradition! Both young and old will love this story! Don't miss out on this moving story!! I received a free copy of this audio book from christianaudio in exchange for my fair and honest review.

- Charles Dickens's classic novel, A Christmas Carol, is his most famous and beloved story. Millions around the globe have read this touching book, about brotherly love and charity, since it was first published. Countless people have seen Ebenezer Scrooge, the selfish and unkind man, transform in to a kind and generous person by the visits of four mysterious ghosts. The story begins in the afternoon of a frigid Christmas Eve, as a mean-spirited man named Ebenezer Scrooge sits in his office. Scrooge is a cold-hearted and selfish miser, who isn't in the spirit of Christmas. Every so often, he shouts, "Bah!" or "Humbug!" He doesn't even buy coal for the fireplace, so he and his clerk freeze away. No one likes him, and no one stands up to him. Dickens describes him thus: "No beggars implored him to bestow a trifle, no children asked him what it was o'clock, no man or woman ever once in his life inquired the way to such and such a place, of Scrooge." However, this is exactly what Scrooge wants - to be in his own world. Dickens starts out the story by stating that Scrooge's former partner, Jacob Marley, is dead. Then, he reverts back to what Scrooge is up to. As it is Christmas Eve,

Scrooge isn't happy. He scares all the carolers away, and refuses to donate money to the poor. When the day is finally over, he goes back to his house, and tries to go to sleep. As he locks the door, he sees an apparition. There is Jacob Marley's ghost - looking right at him! Scrooge is shocked at first, and still is shocked when Marley's phantom tells him some surprising news. The ghost explains that there will be three other ghosts yet to come: the Ghost of Christmas Past, the Ghost of Christmas Present, and the Ghost of Christmas Future. Then, he leaves. As promised, the ghosts of the past, present, and the future visit Scrooge. The ghost of the past shows Scrooge how he used to be. Scrooge discovers that his life was somewhat pleasant, but still lonely. The ghost of the present reveals to Scrooge his more recent attitude toward Christmas. It shows Scrooge the consequences of his actions, most of which are to Scrooge's dislike. The ghost also informs Scrooge how other people are celebrating. Dancing, playing blind man's buff, and caroling aren't part of Scrooge's world for certain. The ghost of the future shows the time when Scrooge is dead and no one cares for him; actually everyone is happy that he is gone. Meanwhile, all of these visions have Scrooge sobbing in tears and he is finally ready to make changes in his life. After the final ghost leaves, Scrooge runs about his little town donating money, greeting people, and visiting his nephew and clerk's family. It turns out to be a very happy Christmas after all. I liked A Christmas Carol very much. Charles Dickens's style is very descriptive. I especially liked the vivid verbs and adjectives Dickens used when he described Scrooge as a "squeezing, wrenching, gasping, scraping, clutching, covetous, old sinner!" As for Scrooge, I liked him a lot. The book was funny when he said something completely nonsensical like "Bah!" or "Humbug!" On a scale of one through ten, I would give A Christmas Carol a ten. It was enjoyable and interesting to read, especially over winter break, as it heartens the spirit of Christmas itself.
