REVIEW OF SUFI HASAN AL BASHRI

• I think this book is a requirement for anyone

that is in the ministry. I found a lot of nuggets embeded in the book. Principles that the author provide for the reader are applicable to life and other disciplines. If you are seeking to enrich your theology education, I highly recommend this book. Written hundreds of years ago, Spurgeon's ideas and concepts transcends time. This book will be a part of my library for years to come. In fact, I purchased a copy for my brother since he is in the ministry.

• Really well put together. I was unsure about even reading a book on loss but this really is so much more than just a book.
