With this info, you prepare to start interesting literary experiences via the straightforward act of downloading White Tiger Torrent. Satisfied reading!

REVIEW OF WHITE TIGER TORRENT

- Patterson's short chapters usually propel the storyline along and keep readers interested in his simple prose and captivating characters, but this time, Sam's Letters to Jennifer, merely keeps the reader asking why am I reading onward? A fan of his thrillers, Suzanne's Diary for Nicholas took me by surprise with its depth and honesty, and at times, tear-producing prose. In this book, the short chapters merely made me wonder where the depth and subplots had gone. There was very little action, and Sam remained in a coma for most of the book while Jennifer read letters and rarely agonized about her column for the Chicago Tribune. Her editor rarely called, the column was never discussed in detail, and it was unclear whether she received letters from readers or whether the column meant anything more than a paycheck to her. I wanted more from this novel than I received: more frustration from Jennifer about her inability to focus on work, more sadness and care toward her grandmother, more emotion from Brendan regarding his illness. It was hard for me to believe that he was dying; he showed little if any emotion other than love/lust for Jennifer. There was too much here to explore in the short breadth of pages Patterson gave. There were too many gaps in this book for me to recommend reading it. It was a fast read, something to pass my time, but I am glad that I borrowed my mother's copy and did not purchase my own. My advice, read Suzanne's Diary for Nicholas a second time, and Patterson, try to remember that memorable and loveable characters have depth.

- I was recommended this book from my mother on a long journey to Las Vegas from the east coast and I started to read this in the airport and I was immediately hooked, I wanted to know more and more. It was brilliantly written and the book just keeps you wanting to find out more about the letters that Sam writes to Jennifer and what happened. It's a very emotional book, I was literally crying. It's a great Sunday read on a rainy day because it will be a book that you won't be able to put down, hands down. I would read it again.
