#### **REVIEW OF TEORI SOSIOLOGI MODERN 17 X 24 CM GEORGE RITZER**

- Having been to Anguilla many times, and eating in their first restaurant, "Mangos", in the late 1980's, I decided to buy this book for my husband for Christmas. I picked it up first, and could not put it down. It was two days of utter enjoyment! A great story! Having been in the restaurant business, my husband and I could certainly appreciate the problems they encountered. It sure changed our mind about the same dream they had. Now, I just want to go relax on a boat - off the coast of Anguilla of course. When we went to their restaurant on several occasions, the food was fabulous. Anguilla is certainly our favorite island after visiting many others. Melinda's description of the island and the people were right on the money. This book made me start thinking about a trip in the Spring - can't wait to visit their restaurant again!

- Having lived in the Caribbean for almost five years and having recently visited Anguilla, I found the Blanchard's tale to hit extremely close to home. Their descriptions of island life were both hilarious and surprisingly similar to my own. I throughoutly enjoyed this book and wish they would write a sequel!
