REVIEW OF THE SOLUTIONS FOCUS MAKING COACHING AND CHANGE SIMPLE

- I loved TRUE NORTH, and was delighted to see another winner from Beverly Brandt! Kylie's an intriguing blend of calm and chaos and the sparks fly when she meets the man of her dreams when falling backwards out of his window. I can't wait to read ROOM SERVICE in May!

- I found myself chuckling and enjoying this read so very much. The character of Father Damien Modeste is well developed. Found the transition from a nun named Sister Cecelia to Agnes, the live-in common law wife, to Father Damien Modeste fascinating. As she develops her persona as a priest one can't help but smile or chuckle out loud. While she operates as a priest she doesn't fool many of the tribal people who get to know her/him well. Father Damien takes his role as priest at the reservation seriously. As he gets to know individuals in the tribe he makes many friends. Nevertheless, his mistakes haunt his dreams. He writes to the Pope letter after letter seeking advice and/or forgiveness. No answers arrive. Still he continues, year after year. There are many humorous episodes in this book. My favorite, the one with the moose who drags the aging Nanapush in a boat around the reservation, makes for much laughter. Erdrich's descriptions of that incident had me picturing the entire episode. And, when Nanapush comes to life not once but twice at his wake I laughed again. When the aging Father Damien has a visitor to ascertain whether an Indian woman is due for sainthood he is puzzled why the Pope sent such a low level ambassador. As he visits with Farther Jude, Modeste finds himself reliving parts of his life. Especially poignant for him was the time spent with Father Gregory Wekkle to whom she was attracted physically. They fell in love and spent their evenings making love while during the days they went about their priestly duties. For me, the humanness of Agnes/Father Damien is so realistic. Another important aspect of this read is the insight the author gives the reader into the Ojibwe culture, beliefs, mindset and humor. Father Damien's encounters with the talking black dog are an example. There is so much to this novel that I

could do it again. What an outstanding read!
