### **REVIEW OF AUGUSTO ECONOMICA LATERZA**

• I was so impressed with Patai's book THE ARAB MIND, that I read this one, too. But this, while interesting, is not as well organized, and is a bit bloated. I think he was learning on this one, to

succeed better with THE ARAB MIND. Nonetheless, an interesting and informative book.

• SHANE is my all-time favorite movie and I got the Audio Book to see how well the movie version followed the original novel. I was thrilled in listening to learn that the book is even better than the movie version. The character that SHANE portrays has always moved me-the stranger riding into the valley,befriending the homesteading family and in the end triumphing over evil,then moving on. Although SHANE is a fictional character,he is still a hero to me and this Audio Book along with the DVD of the movie make great companions.
