REVIEW OF ASTRONOMY THROUGH PRACTICAL INVESTIGATIONS ANSWER KEY

• This is a superb collection of short stories, a genre of which I'm not usually very fond. But each story is a gem of one or more aspects of the human condition, which Bloom recounts with humor, understanding, and, most importantly, without judgement. Her voice is authentic and never disappoints.

• This is a great book. Love it. Would definitely suggest it to anyone that wants a good read. Thank you.
