Exposing lies of the empireIn the Company of RebelsA Generational Memoir of Bohemians, Deep Heads, and History MakersNew Village Press

Duke University Press

Meetings with remarkable activists since the 1960s American social change movements dominated the 1960s and 1970s, an era brought about and influenced not by a handful of celebrity activists but by people who cared. These history makers together transformed the political and spiritual landscape of America and laid the foundation for many of the social movements that exist today. Through a series of 43 vignettes—tight biographical sketches of the characters and intimate memories of her personal encounters with them—the author creates a collective portrait of the rebels, artists, radicals, and thinkers who through word and action raised many of the issues of justice, the environment, feminism, and colonialism that we are now familiar with. From Berkeley to Bolivia, from New York to New Mexico, a complex, multi-layered radical history unfolds through the stories and lives of the characters. From Marty Schiffenhauer, who fought through the first rent-control law in the United States, to Ponderosa Pine, who started the All-Species Parade and never wore shoes, to Dan and Patricia Ellsberg, who released the Pentagon Papers and became life-long anti-war and antinuclear activists, the portraits bring out some of the vibrant, irreverent energy, the unswerving commitment, and the passion for life of these generations of activists. In our present moment, as many people find themselves in the streets protesting for the first time in their lives, In the Company of Rebels makes the connection to this relatively recent rebellious era. As the author comments on her own twenty-year old self, sitting at the counter of Cody's Books in Berkeley in the early 1970s, thrilled about the times but oblivious of the work that came before: "I didn't know anything about this courageous and colorful past. But now I know."

Alien Indiscretions University Press of Kentucky

Shakespeare, the Renaissance and Empire presents Shakespeare as both a local and global writer, investigating Shakespeare's trans-cultural writing through the interrelations and interactions of binaries including theory and practice, past and present, aesthetics and ethics, freedom and tyranny, republic and empire, empires and colonies, poetry and history, rhetoric and poetics, England and America, and England and Asia. The book breaks away from traditional western-centric analysis to present a universal Shakespeare, exposing readers to the relevance and significance of Shakespeare within their local contexts and cultures. This text aims to present a global Shakespeare, utilizing a dual perspective or dialectical presentation, mainly centred on questions of (1) how Shakespeare can be viewed as both an English writer and a world writer; (2) how language operates across genres and kinds of discourse; and (3) how Shakespeare helps to articulate a poetics of both texts (literature) and contexts (cultures). The book's originality lies in its articulation of the importance and value of Shakespeare in the emerging landscape of global culture.

COMMENCEMENT Wipf and Stock Publishers

This study gives substantial coverage and close critical attention to a wide range of Coetzee's published writings, in the attempt to situate his oeuvre within the framework of both postmodernist and postcolonial theory and criticism. In addition, it links the political and social aspects of Coetzee's work, its South African provenance and its often oblique engagement with contemporary issues, with formal questions regarding structure, rhetoric and narrative strategies as tackled in his novels. By approaching Coetzee's fiction from a variety of critical angles and taking into account both the transformations in the socio-political context of South Africa, and the recent changes in critical reception (exemplified by the Nobel Prize he was awarded in 2003) this book therefore offers a thorough assessment of the author's oeuvre.

This book brings together significant writings on Christianity and patriotism for a post-September 11th world. This is an exceptional collection of writings for students and universities to use as a source for guiding and informing discussion about Christianity and patriotism.

Book I of the Sindathi Twilight Trilogy Zondervan

In this powerful cultural critique, Ariel Dorfman explores the political and social implications of the smiling faces that inhabit familiar books, comics, and magazines. He reveals the ideological messages conveyed in works of popular culture such as the Donald Duck comics, the Babar children's books, and Reader's Digest magazine. The Empire's Old Clothes was widely praised when it was first published in 1983. This edition, including a new preface by the author, makes a contemporary classic newly available.

"A rich, sensual, bewitching adventure of good vs. evil with love as the prize." ~Publisher's Weekly on ETERNITY 300 years ago, Raven St. James was hanged for witchcraft. But she revives among the dead to find herself alive. She is an Immortal High Witch, one of the light. A note from her mother warns that there are others, those of the Dark, who preserve their own lives by taking the hearts of those like her. Duncan Wallace's forbidden love for the secretive lass costs him his life. 300 years later, he loves her again, tormented by hazy memories of a past that can't be real. She tells him of another lifetime, claims to be immortal. Though he knows she's deluded, he can't stay away. And the Dark Witch after her heart is far closer than either of them know. If you liked the TV Series HIGHLANDER, you will LOVE this series. Don't miss Book 2, INFINITY. "A hauntingly beautiful story of a love that endures through time itself." ~New York Times Bestselling Author, Kay Hooper "This captivating story of a love that reaches across the centuries, becomes as immortal as the lover's themselves, resonates with timeless passion, powerful magic, and haunting heartbreak." ~BN.com's official review

[Empires and Colonies](#) Fordham Univ Press

Imagine having a love that is so deep, addictive, connected, and heavily embedded into your entire being that it haunts your every move. Four years later, after falling addictively in love with Promise "Savage" Morris and having her world tossed upside down, Hazel is forced to pick up the pieces and move on with her life in hopes of raising their daughter, Adah, in a perfect life. But every move Hazel makes, she feels the addictive love of Promise trailing behind her. After taking an unexpected downward turn in his empire of the drug business and serving four years in prison, Promise devises a plan to turn his life around for good, but most importantly, pick up where he left off with Hazel and rekindle their old flame all while reclaiming his name in the streets. What happens when arch enemies show their face, ulterior motives surface, secrets and lies are revealed, and loyalty is tested? Can the addictive love of Promise and Hazel survive another round or will their love become far too tainted to endure?

The Great October Socialist Revolution Polity

Oceania: neocolonialism, nukes and bones is a critical appraisal of the destructive consequences of colonialism and later neocolonialism and how they have reshaped and undermined the very essence of Pacific humanity. It provides a rather uncomfortable but justifiably powerful moral message that the perils of Oceania need drawing attention to for the future survival of Pacific peoples and cultures who, isolated from the main centres of global power, are often relegated to the margins of development and progress. Andre Vltchek spent five years living and traveling throughout Oceania. During his journey he interviewed politicians, social-workers, journalists, teachers, doctors and the local inhabitants. He became friends with the great Pacific writer Epeli Hau'ofa who declared him an 'honorary citizen of Oceania, ' and he intricately documented the appalling effects Western government policies, corporate strategies and military operations were having on the islands and the peoples of the Pacific."

The Empire's Old Clothes Cornell University Press

Long-hidden secrets threaten to shatter their love...and the Kalquorian Empire. Cissy Salter is more than ready to shed Earth's repression when she moves to the planet Kalquor. She leaps headlong into drinking, partying and liaisons with young alien men. She would be having the time of her life if not for the disapproval of a certain rich, gorgeous Dramok she can't avoid. She'd love to despise him, but her heart has other ideas. Dramok Diltan sees the bawdy, unrefined Cissy as a thorn in his side. The last thing he needs is a woman who drives him crazy every time they meet. Yet the spark in her eyes kindles a fire he can't ignore. His enthralled clanmates Wal and Rolat are determined to get the two to stop fighting, at least long enough to explore the possibility of making Cissy part of their clan. When they discover Diltan's past misdeeds, Wal and Rolat issue an ultimatum—help them seduce the Earth-woman or face punishment. As Cissy and Clan Diltan discover each other's true natures and love blooms, the long-hidden secrets of Kalquor's leadership are revealed. An old conspiracy brought to light shatters Kalquor's peace, driving the Empire apart...and tearing Cissy from the arms of the three men she can no longer live without.

What is the role of psychoanalysis in today's world? *Yesterday, Today and Tomorrow* presents a selection of papers written by Hanna Segal. The

collection introduces the reader to a wide spectrum of insights into psychoanalysis, ranging from current thoughts on the nature of dreaming to new ideas about vision and disillusionment. Her long interest in factors affecting war is pursued in her examination of the psychotic factors, symbolic significance and psychological impact of the events of September the 11th, and the ensuing war on Iraq. The second half of the book discusses Segal's presentations to conferences and symposia from 1969-2000, this material is split into six sections: Models of the mind and mental processes Psychoanalytic technique Segal on Klein Segal on Bion Envy and narcissism Interviews. *Yesterday, Today and Tomorrow* is a masterly contribution to the field. Segal's clarity of thought and striking clinical illustrations make the book accessible to those new to the field as well as those acquainted with her seminal work.

A Biblical Theology of the Urban City Misenchanted Press

Lies are shattered, leaving death and destruction in its path. To save a child, they must make a deal with the devil himself. They had a plan: two days-get in, ask the questions, and get out. Seemed simple enough. But you know what they say about best-laid plans. Life always seems to get in the way of living. Revenge can be such a bitter pill to swallow, costing others to make the ultimate sacrifice. Jax's need for control slowly slips through his fingers as Raven's past attempts to steal their future. Will Maxwell be able to hang on to his happily ever after, or will it be cruelly snatched away, yet again?

Postcolonial Irish Writing and the Politics of Modern Literary Form Peter Lang

This controversial 234 page book, with over 80 photographs inspects the history of the World Expositions between 1851-1915. Beautiful 700-acre sites that resembled Ancient Rome were built, then immediately destroyed. Why? Or maybe they were not built, perhaps they were the restored buildings of an ancient civilization?

Diverse Perspectives on Christianity and Patriotism Totally Entwined Group (USA+CAD)

The gods had chosen the Domdur to rule the world, and had chosen Malledd to be their champion among the Domdur.They had not asked Malledd whether he wanted the job.Now a wizard has raised an army of the undead to overthrow the Domdur Empire, and the world awaits the divine champion who is to save them -- but will Malledd come?And if he does, can he be the savior the Domdur expect, or has the gods' favor turned elsewhere?

REVIEW OF EXPOSING LIES OF THE EMPIRE

- Charles Manson had a crazy life. His childhood was shrouded in mystery, and by all accounts he seemed to have developed his unique social skills at an incredibly early age, while bouncing around from one foster home to the next.I recently finished listening to the audiobook, and must admit that this was one of the most enjoyable and entertaining audiobooks I've ever listened to. The narrator was great, and the story kept me on edge from beginning to end.If you're considering listening to the audio (or textual) version of the book--I'd say give it a go, you certainly won't be disappointed.

- I've been vegan for about 4 years now, and I've been cooking all of my meals for 2 or 3. I've spent over \$100 on a shelf full of vegan cookbooks. This one is the best I own. It's the only cookbook I have that has recipes that make food that's outright better than anything I ate before I went vegan! Ever since I started making my own vegan pizzas, I absolutely stopped missing the greasy things that I'd been getting delivered, and the pasta recipes here are the best I've ever had.The only problem with this book is that the recipes can take a while to prepare. If you're not a big fan of cooking, this probably isn't the book for you. But if you're glad to spend an hour in the kitchen making a meal and want to have some great vegan food, this book is a must!
