### **REVIEW OF HAL LEONARD KISS ALIVE II GUITAR TAB SONGBOOK MUSICIAN**

- I can only echo the other reviewers. I too am one with little to no woodworking experience (well, apart from woodshop classes in junior high!) and ... somehow ... ended up with a great looking boat following the plans laid out by the book. Mr. Schade is to be commended not only for a well-written instructional guide, but for providing an exceptional level of support through his running of an online support board specifically for kayak builders (more info in the book, of course). If you're remotely interested in building your own kayak, get the book. When you decide to do it, you'll be adequately prepared -- and you'll end up with a gorgeous boat.

- I didn't know much about Frank Zappa or about his music. I only had the Sheik Your Booty album but that's not enough to know the man and how he thinks. This book helps a lot.
