REVIEW OF LOSING MY VIRGINITY MADHURI BANERJEE FREE

- Freud based his ideas from no scientific facts. There is no way to measure something as

subjective as dreams. I enjoyed the the book as entertainment, but would not derive any factual information from it.

- Gosh, if memories didn't surge back just by seeing the cover of this book. I too am an author and I'm about the same age as this one. I must find this book and pay it a much needed reread. I don't even think I have it in the crib anymore...probably loaned it to someone? Not sure. But it's a

good honest fully forthcoming memoir. And isn't that all we ask a memoir to be? I loved her memories at Rutgers but most of all of love she and Chance's interaction[s]. That 3-way discussion held between he, she, and that lady with the nice Coach bag... Classic! I liked how it remained civil--it couldda got incivil, in house, real gutta, real quick! Thank heavens for class & restraint! Great fearless share. Thanks for this one, S.S. <3
