Renderoc Fc Constructive
SolutionsRenderoc FC is designed for
vertical and overhead use in filling voids
up to a depth of 3 mm. It can also be
used to render over large areas, from a
feather-edge up to 3 mm thickness. Anti-
dusting properties may be imparted
upon the mix by the addition of
†Nitobond SBR* to the gauging
water.Fosroc Renderoc FC constructive
solutionsRenderoc FC cementitious
fairing coat is designed for vertical and
overhead use to infill honeycombing and
voids up to 3 mm deep in the surface of
concrete. It can also be applied as a
render from a featheredge up to 3 mm
thick and as blowhole filler up to 10 mm
deep. Consult the local Fosroc office for
further information.Renderoc FC
constructive solutions - FosrocFosroc is a
world leader in the delivery of tailored
Constructive Solutions for virtually any
type of construction project, combining

high quality products, expert technical support, customer service and innovation Performance and functional Constructive Solutions Our products help to build better quality construction assets, faster. REVIEW OF FOSROC RENDEROC FC CONSTRUCTIVE SOLUTIONS

- Playboy May 1998 is 176 pages and feature Geri Halliwell (aka Ginger Spice) on the front cover. Geri's nude photos are not that great and not that bad either, at best it is average. Even the article that accompanied the pictorial was more about the Spice Girls instead of Geri Halliwell and when they were

taken. Deanna Brooks is this month Playmate. Deanna and the other two pictorials in the magazine are great. Next is Playmate Revisited and that is Verónica Gamba - Playboy Playmate of the Month for November 1983 and Brazil's Playboy Playmate of the Month for December 1983. The final nude pictorial is that of Miss America 1982 Elizabeth Ward Gracen. This month interview is with Scott Adams of Dilbert fame. I found his opinions on the workplace to be very funny. 20 Questions is with Ben Stiller and his answers were either funny or serious, it was hard to tell. There is a funny article called Bubba Bubble written by Arianna Huffington that she is involved in a mythical meeting with President Clinton and Newt Gingrich in the President's Hot Tub. Other articles included are: Twenty-Five Things Guys Do Right In Bed, Make It Champagne, Playboy's 1998 Baseball Preview, Netmail (fiction), and this month forum Sex Tour of Washington. Playboy May 1998 pictorials and articles are great and gets an AAA+++.

- Reading Eliot is partly about nostalgia for me, as he is the first poet who really "meant something" to me as an adolescent, thus dragging poetry out of the realm of the obscure and dusty ivory tower, and into the realm of the living, moving and evocative. Of course now I realize that the level on which I read most of these poems (visceral, emotional), was barely scratching the surface of the author's craftsmanship or intent. Perhaps these were meant to be unlocked only by the academic, but I am of the school of thought that the author's intention is secondary to the primary effect of the text as an independent object. So if I as a teenager was able to attach personal significance to

"Prufrock" notwithstanding my total lack of background, that is a valid and important experience. I bought this book this time around for a close friend, hoping he could experience some of the musical dizziness of words and recognition of the cyclical darkness and illumination which I felt as a first time reader.
