REVIEW OF A DICTIONARY OF ADVERBS

- I bought this when I was struggling to hold 18 credit hours, a part-time job and a life together and I credit it with helping me turn things around and graduate from college. One of the most clear-headed, sensible books I've ever read, and possibly the one easiest to apply directly to life activities. Buy it, read it, practice it and you will find more value in the time you spend.
- An interesting aspect to Le Fanu's Uncle Silas is that there is something going on outside and beyond just the leading character, Maud's, narrative focus. Her being easily agitated and frightened, which she reiterates often, lends credence to the notion that we can't take everything she sees with perfect accuracy. Is there more than meets the eye when she feels the dread and gloom at Uncle Silas', or is this just an overly active imagination? Is she really feeling or seeing the darkness of characters such as Madame or Uncle Silas, or is her anxiety getting the best of her? The reader can take a step back, and come to their own conclusions as they follow the plot. Le Fanu might not entertain and enthrall contemporary audiences like he did in his day, but his method of ambivalence and uncertainty gives the novel the Gothic, mysterious quality that can "get under your skin." He seems to go with the idea that "what you don't know or see" is far more terrifying than what you do; subtle hints, shady pasts, eerie settings and strange characters all give the novel a creepy, suspenseful, dark feel. The basic premise of the novel is this: Maud Rhuthyn, after her father's passing, is required to live at her Uncle Silas' estate until her twenty first birthday, partly as a means to clear her uncle's name. While some, such as her aunt, are strictly opposed to Maud's going to the creepy house for such a long time, Maud is a bit undecided. Maud's only knowledge of her uncle is a portrait of him which hangs at the Rhuthyn estate. She learns that Silas has an allegedly dark and mysterious past and that he was once suspected of the murder of a man, but it was ruled a suicide. He has changed his ways, and now lives a reformed life, although there is a somber, soft-spoken manner to him that makes Maud question who he really is. After Maud's arrival, she begins to adapt to life there, but begins to see some of the questions of the past unraveled, albeit in a slow manner because she rarely gets to see him. Eventually, a villainess from the past, Madame de la Rougierre,

her father's governess who was fired for stealing, resurfaces at Uncle Silas' just as the plot begins to thicken. The gloom and foreboding mood at Uncle Silas wreaks some havoc on Maud's fragile state, and there is uncertainty what is real or exaggerated. At one point, Maud is looking through the house and is terrified out of her wits to see the face of Madame de la Rougierre. She immediately tells Silas' daughter of this and considers the room haunted. Maud also wavers between being intrigued with her uncle, and having him be her source of abject terror: "Gentle he had been to

me...but it seemed like the talk of one of those goblins of the desert...Was, then, all his kindness but a phosphoric radiance covering something colder and more awful than the grave?" A puzzling fear seems to permeate Maud's existence at Uncle Silas, but we only learn later what the real story is. De Fanu's novel is comparable to a Wilkie Collins mystery, although I'd say Uncle Silas has a darker feel to it. The gothic, supernatural nature is created slowly and subtly, but nevertheless, it is there. I enjoyed this suspense, and would love to read more of De Fanu's other novels and short stories.
