## **REVIEW OF MILK BAR LIFE RECIPES STORIES**

- A fabulous history of Seattle in word and photograph. It is a Who's Who listing those that gave Seattle her flavor and distinguished character. This is a must read and study for all native Seattleites as well as

for newly arrived residents. The buildings: commercial, residential and schools show the step by step progress that the city has made through the designs of noted architects. From 1853 to date the book covers Seattle's development. It is a first class read and study.

- Un clasico, muy bien editado. Un precio muy bueno, para la calidad de su contenido. Para quien no conoce a Barthes, esta seria una buena introducción a su trabajo.
