REVIEW OF CASE PROBLEMS IN FINANCE 11TH EDITION

- This book touched me when I read it, but it a book that makes you want to put it in the trash.
- kurt vonnegut, jr. is a brilliant man. having said that now, this book is a work of genius. it is perhaps the funniest thing i have ever read in my life. but more than that, it is a horrible insult to me. that only works to make the book more effective as a piece of entertainment, as well as a work of philosophy. read this book because that is what you were created to do.
