THE MAJOR DIFFERENCE BETWEEN A RESEARCH PAPER AND AN ESSAY IS RECAP: UNLOCK YOUR FOLLOWING LITERARY EXPERIENCE WITH OUR CONCISE REVIEWS

Conference Series Hong Kong University Press

James Stewart Lockhart called it "the great difference". Returned from an inspection tour of the newly leased extension to Hong Kong territory in August 1898, Lockhart, a senior Hong Kong colonial official, had used this phrase to describe the gulf between the New Territories and its people and the existing British colony of Hong Kong and its inhabitants. In this volume, James Hayes argues that this "the great difference" led the colonial government to administer the New Territories and its people differently from the old urban area from the outset, resulting in repercussions that affect present-day Hong Kong. The study covers the whole period of the Lease, with all its crowded events and dramatic changes, as they affected the native inhabitants and their relationship with the government and, over time, the many times larger new urban population. James Hayes (PhD Lond; HonDLitt, HK) is a scholar of the Hong Kong region and its people. He worked in the New Territories for almost half his thirty-two years of government service, and was Regional Secretary in charge of district administration there in 1985-87. His publications include *Friends and Teachers: Hong Kong and Its People 1953-87* (Hong Kong University Press, 1996) and *South China Village Culture* (2001).

NOW AN EMMY-NOMINATED HULU ORIGINAL SERIES • NEW YORK TIMES BESTSELLER • "A stunning novel about the transformative power of relationships" (People) from the author of *Conversations with Friends*, "a master of the literary page-turner" (J. Courtney Sullivan). ONE OF THE TEN BEST NOVELS OF THE DECADE—Entertainment Weekly TEN BEST BOOKS OF THE YEAR—People, Slate, The New York Public Library, Harvard Crimson AND BEST BOOKS OF THE YEAR—The New York Times, The New York Times Book Review, O: The Oprah Magazine, Time, NPR, The Washington Post, Vogue, Esquire, Glamour, Elle, Marie Claire, Vox, The Paris Review, Good Housekeeping, Town & Country
Connell and Marianne grew up in the same small town, but the similarities end there. At school, Connell is popular and well liked, while Marianne is a loner. But when the two strike up a conversation—awkward but electrifying—something life changing begins. A year later, they're both studying at Trinity College in Dublin. Marianne has found her feet in a new social world while Connell hangs at the sidelines, shy and uncertain. Throughout their years at university, Marianne and Connell circle one another, straying toward other people and possibilities but always magnetically, irresistibly drawn back together. And as she veers into self-destruction and he begins to search for

meaning elsewhere, each must confront how far they are willing to go to save the other. *Normal People* is the story of mutual fascination, friendship and love. It takes us from that first conversation to the years beyond, in the company of two people who try to stay apart but find that they can't. Praise for *Normal People* "[A] novel that demands to be read compulsively, in one sitting."—The Washington Post "Arguably the buzziest novel of the season, Sally Rooney's elegant sophomore effort . . . is a worthy successor to *Conversations with Friends*. Here, again, she unflinchingly explores class dynamics and young love with wit and nuance."—The Wall Street Journal "[Rooney] has been hailed as the first great millennial novelist for her stories of love and late capitalism. . . . [She writes] some of the best dialogue I've read."—The New Yorker

Statistics show that women live longer than men, and that they constitute a substantial majority of the North American population over age 50. But lack of empirical data on aging women has helped to perpetuate numerous myths and stereotypes. This reference provides a comprehensive overview of current research on women and aging. Chapters are written by expert contributors and are grouped in sections devoted to historical and theoretical views, economic concerns, health and lifestyle issues, demographic information, and relationships. Chapters reflect research on women from diverse racial and ethnic backgrounds, the particular needs of the rural elderly, the problem of sexism and ageism, and the impact of significant life events, such as retirement and widowhood. Chapters cite current research, and the volume closes with a selected bibliography of major studies.

John Owen concludes his excellent Preface with these words: "This worthy author has laboured, if I am not much mistaken, unto good success. And, as his design is to extricate things which seemed perplexed, to give light into the whole doctrine of the covenants, by declaring the proper order and method of things contained in them, with their respect one unto another; that the grace of God, in the Covenant of Grace, may be exalted, and his faithfulness, with his holiness, in the Covenant of Works, both in and by Jesus Christ, the end of the one, and the life of the other. So the reader will find, I hope, that satisfaction in these great and deep enquiries, which he will have occasion to return praise and thanks to God for." Mark Jones concludes his excellent New Introduction with these words: "The rewards are to be reaped from a careful study of this work. I would suggest keeping a Bible and pencil close by since Petto is constantly making reference to the Scriptures without giving the quotation of the passage cited. But more importantly, I would suggest keeping your heart firmly fixed upon the Lord Jesus Christ as he reveals to you, by his Spirit, THE GREAT MYSTERY OF THE COVENANT OF GRACE."

At blog.amf.com, we are devoted to helping you uncover your following excellent checked out by offering concise and informative The Major Difference Between A Research Paper And An Essay Is book summaries in various styles. Whether you're an avid reader or a casual publication lover, our recaps use a peek right into the world of each book, allowing you to make informed decisions concerning what to read next.

REVIEW OF THE MAJOR DIFFERENCE BETWEEN A RESEARCH PAPER AND AN ESSAY IS

• I found this a great little book. I have taken a break from novel reading for a while, after ploughing

through the Brooks Shannara series, the Feist Riftwar/Serpentwar sagas and the Belgariad by Eddings. These book collections contain some of my favourite fantasy books of all time. It was refreshing to read this book, which as some reviewers mention, was influenced heavily by some of the best fantasy fiction writers around. To some this may appear to be nothing more than a knock-off; taking plot lines from various authors and mixing them together, creating something inferior than the sum of the initial parts. If you are a purist, I can understand that position and the quest for something unique in this genre. For myself on the other hand, I read as though looking for something enjoyable. Thankfully in this case I was pleasantly surprised, and really got in to the book, reading it in 2 days! I didn't even know about the hype of his age until I saw the brief bio at the end and the picture. This series is the story of a young boy, called Eragon. A village lad who finds a shiny gem in the mountains/forest one day, which turns out to be a dragon egg. As we discover more about Alagaesia and the Empire ruled by the cruel King Galbatorix, last of the Dragon Riders, corrupt and inhuman. That is of course until the dragon egg hatches, and the baby dragon becomes connected to Eragon. He names her Saphira, and then the fun begins. As their bond becomes deeper, we find out that there are many malevolent forces seeking to destroy the people, and control the whole known world. Not only that, but King Galbatorix systematically wiped out the Dragon Riders, apart from those under his direct control. There were none for a long time, and any that happened by chance - due to the fact that the dragon chooses their bond partner - were given the choice to either serve him, or die. Eragon is in trouble, and does not have the skills necessary to defend himself or those he loves. Then the familiar 'quest' kicks in for Eragon, travelling over land and great distances to find the resistance to the evil King, while learning the skills necessary to become a bona-fide Dragon Rider. I found this installment of the story a great read, and with enjoyable characters crossing paths along the way. The plot flows nicely and left me wanting to read the second part, Eldest. 4 stars because it is a nice, flowing read, and a mix of the best ideas.

• Christopher Paolini has done amazing work in ERAGON. he's so descriptive that the words pull u into the book making you feel as though you're seeing it all with your very eyes! any writer who can do that and write such a wonderful plot as C.P. deserves five stars for their book. i've already pre-ordered the second in the INHERITANCE TRILOGY; ELDEST.
