REVIEW OF MACROECONOMICS BY ARNOLD 9TH EDITION

- Well written about a very difficult time to be alive. If you please the right people, your life is ok. Fall out of favor and you're sunk. Good history.
- I read this book long time ago; I referred to an older edition. This book will be very good for any one whom would like to know about freemasonry in general. The reader could get a pretty good idea of what freemasonry is all about, i.e. deferent secret societies going back to Egypt, Crete and Greece. Although if theReader will be interested in freemasonry and be enlighten the Masonic lodge will be the right place to start... just ask one to be one, LV., MM.
