REVIEW OF GRADE 11 MATHS EXAM PAPERS AND MEMOS

- I recommend you read Mr. Popper's Penguins by Richard and Florence Atwater. This book is realistic fiction. Mr. Popper was an absent minded painter, until he found that penguins are very intelligent. So Mr. Popper sent Admiral Drake a letter telling how

smart the penguins are. Then Admiral Drake sent him a penguin in the mail. He had trouble keeping up with one penguin but what will he do with 12 of them? What else but to make them hop and dance on stage! I like this book because the drawings of the penguins look kind of funny. You will like this book because it's funny and the picture on page 120 will make you laugh.

- This book has been fine for my purpose of using in class. I would not recommend buying this book because it is getting too out of date.
