REVIEW OF Q SKILLS FOR SUCCESS 1 LISTENING AND SPEAKING

- The first time I read this I was about 12

years old, and it was just an awesome story. I read it again as a busy mother trying to keep on top of her son's reading assignments, and it spurred me to read the whole Lord of the Rings set. Now, I'm a grandma who just wants to remember enough of the story to go see the movie, and the story and writing are still great. I found myself reading parts of it out loud just to hear the dialogue or

alliteration. Definitely time well spent for the enjoyment value received.

- I don't know what to say of this book, everyone's heard of it and half the population has read it. It's a great book, the best in the series. This book gets you so sucked in! I got in trouble in class because I was reading it during algebra. The Hobbit it great for anyone who likes fantasy. It's a classic and I can see why!
