## **REVIEW OF ANCILLARY SWORD IMPERIAL RADCH 2 ANN LECKIE**

- We all know this is a great book; this edition makes it look fantastic, excellent

drawings, great quality.

- Before you see the movie, read the book. I am hoping the movie will follow the story line closer than LOTR did. I first read this book in High School and I have

read it many times since. Who should read it? Anyone that has watched LOTR and is wanting to watch the new movie. People that are into fantasy with a great story line. Who shouldn't read it? Not sure.
