REVIEW OF PHONETICS EXERCISES WITH ANSWERS

- For goodness sake, don't have anything competing for your time when you start "THE RAGING QUIET". This book is only 264 pages long, but because of the way Sheryl Jordan's writing flows, I sincerely doubt you will be able to put it down. "THE RAGING QUIET" will capture your attention with the very first words, and keep you completely dedicated to its reading. The story is fraught with difficulties; wonderful, loveable characters -- gentle, compassionate Father Brannan, wonderful imaginative Marnie, and deaf-mute Raven -- balanced by hateful villagers and inlaws who will have you gnashing your teeth.If you are older than school-age, do not think it will be too young or banal for you. It is a story that will captivate. I do hope to find other books by Ms. Jordan, and pray a sequel is in the works. I almost despair of finding anything to equal "THE RAGING QUIET", and am finding that the books I would like to read next are alarmingly flat.Margaret D. MarshWashington, NC

- Mr. Buffet does a remarkable job of simplifying the complexities of investing. His homespun stories and self-deprecating humor make the subject matter entertaining, easy to understand and very useful.It is remarkable for a man of his stature in the investment world to openly discuss his many mistakes and bad investment decisions and yet, we should all be so lucky as to have the fortitude and the wisdom to invest with the same degree of success that he has experienced - even with much smaller sums of money.I highly recommend this book to everyone that owns common stock.
