Girls Guide To Homelessness Blog

The Girl's Guide to Homelessness is a memoir from twenty something Brianna Karp. Abused and neglected as a child by her bipolar mother, Brianna grew up in a dysfunctional Seventh Adventist family. Despite her truly shocking childhood circumstances, Brianna establishes herself as an independent adult, until "The review for this is going to be hard to write" is what I wrote immediately after finishing the book.

REVIEW OF GIRLS GUIDE TO HOMELESSNESS BLOG

- I too thought this book was well padded,too many repeated name calling.
- ...The book is more about Auel's hypothesis of what the region looked like, and how people lived, than it is and actual story. No build up. No climax. This title is a best seller because we all expected it to live up to the last four books. Unfortunately, it doesn't come close. This is the last of the series I spend good money on.
