REVIEW OF GRADE 9 TECHNOLOGY NOVEMBER EXAM PAPER GAUTENG

- This book is for anyone who loves to dream of what it might look like to live in a simpler time. I was transported by Elenore's detailed descriptions into the scenic beauty of her world and the lives of the people she wrote about. I chuckled often and laughed lots. A feisty and optimistic woman who worked hard and was always helping others. A woman after my own heart, a true lover of adventure and fun. Thank you so very much for making this book available at no charge for people who like myself would have never thought to check it out at the library or purchase it. Highly recommended! Two very hearty thumbs up!

- This book was amazing.I bought it at a school book fair because I saw an advertismnt in the halls about it. I wanted it from the moment i read what it was about. I loved this book.
