REVIEW OF BC ABAP PROGRAMMING

• The best book available for keeping a positive attitude about having and delivering full-term healthy babies. I credit the excellent health of my twin girl (8 pounds 3 ounces) and twin boy (8 pounds 13 ounces) to the information in this book.The "In Utero" chapter was not my style; it was a bit "out there". Overall, this book was what helped me feel that I could achieve my goal - to have two beautiful, healthy babies (and no C-section!).

• This book was written by Christian Counselors for anyone struggling with anger issues, but is geared toward those with an active spiritual relationship with Christ. The Minirth-Meier team are dedicated to healing the whole person - body, soul, and mind. An excellent addition to anyone's library.
