Beginning discovering the world of PDF Composite Materials Notes Pdf In Anna University today and unlock the capacity for a richer, extra fulfilling finding out experience.

## REVIEW OF COMPOSITE MATERIALS NOTES PDF IN ANNA UNIVERSITY

- Arthur Miller's "The Crucible" takes a deep look into some of the ugliest moments in American history. Yes, Miller's melodramatic play depicts the infamous Salem Witch Trials of the late 17th century, but his sheer brilliance lies within the plays almost perfect parallel to McCarthyism of the 1950s. The underlining theme of this play is moderation-take time to think things out. Jumping to conclusions too rapidly is always bad. The Salem Witch Trials occurred at a time of ripened hysteria. In the small Massachusetts village, the conditions were just right: both politically unstable and economically itchy. The Massachusetts government was a theocracy with a strict Puritan foundation. It is out of this form of government, that the idea of guilt by association rises to the surface. If people did not follow these austere laws, the state came down hard. The thing was in Salem, one could indict another of witchcraft (if it was true or not), and the victim was guilty until proven innocent. Why would someone do such a thing? Ask Putnam, for land of course. Various other economic reasons played part in who was accused. After the landslide of accusations had begun, the floodgates were open. It was a serious and bloodcurdling matter to see your neighbors and loved ones jailed and even killed. At this point in the play, everything was out of control. When one looks back on this situation, he/she relies its pure stupidity. How could this ever happen again. Well it did! And our beloved Senator McCarthy was the reason. During his reign, McCarthy accused hundreds of being Communists. Almost all of this finger pointing was random. Some to settle grudges. McCarthy stirred up a deep fear in Americans that there could be Communist within them. He damaged the careers of several and ruined those of others. The reasons for the red scare were no different than those for the witch scare. Instead of Puritanism this time, it was patriotism. The patriotism of the McCarthy era was just as unforgiving and vengeful as the Puritanism of the 17th century Salem.

- Excellent play. Enjoyed reading it and rehearsing with a friend before auditioning. Didn't make the cut, but it was well worth the experience. Ray Baird
